## **Definitions**

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

# TTL College

*408-998-4534 [www.ttlcollege.com](http://www.ttlcollege.com)*

- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “Salary” is as reported by graduate or graduate’s employer.
- “No Salary Information Reported” is the number of graduates for whom; after making reasonable attempts, the school was not able to obtain salary information.

## Cancellation, Withdrawal, Refund Policy

### Cancellation

If the student is unable to start class, 100% of the program refund can be requested no later than 7 days from the program start date. If the student has not requested a refund prior to 7 days from the class start date, refunds are not applicable. The refund request must be handed in writing and submitted to the TTL College office at the address listed above. Student Tuition Recovery Fund (STRF) fee is refundable.

For programs that provide the program materials prior to the first-class date, a one-week notice to drop the course is required or a \$75 administration fee will be charged to the student’s file. Class materials must be returned within seven business days of withdrawing from the course or the student’s account will be charged for the material’s full amount.

### Withdrawal

After the end of the cancellation period, the student may also have the right to drop out of school at any time and the right to receive a pro rata refund. Please note that the refund WILL NOT include the registration fee of \$75 and STRF fee.

# TTL College

*345 East Santa Clara Street, Suite, San Jose, CA 95113*

*408-998-4534 [www.ttlcollege.com](http://www.ttlcollege.com)*

## **Refund**

An institution shall refund any credit balance on the student's account within 45 days after the date of the student's completion of, or withdrawal from, the educational program in which the student was enrolled.

**Amount student owed = (Program Tuition ÷ number of days in the program) x number of days the student attended the program**

**Total of amount refund = (Amount student paid - Amount Student owed – Registration fees)**

However, if a student paid tuition through monthly installments, tuition is nonrefundable if he/she already had attended at least one of the classes for the correlating month(s). However, monthly tuition payments may be stopped for the following months the student withdraws from class.

The student is obligated to pay only for the educational services rendered any unreturned supplies or equipment (if any) as well as the registration fee. If a student completes over 60% of the scheduled attendance at the time the student is withdrawing, a refund will not be processed.

## **Definitions**

- "Number of Students Who Began the Program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- "Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- "Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- "On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.
- "150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment.
- "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “Salary” is as reported by graduate or graduate’s employer.
- “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

## Cancellation, Withdrawal, Refund Policy

### Cancellation

If the student is unable to start class, 100% of the program refund can be requested no later than 7 days from the program start date. If the student has not requested a refund prior to 7 days from the class start date, refunds are not applicable. The refund request must be handed in writing and submitted to the TTL College office at the address listed above. Student Tuition Recovery Fund (STRF) fee is refundable.

For programs that provide the program materials prior to the first-class date, a one-week notice to drop the course is required or a \$75 administration fee will be charged to the student's file. Class materials must be returned within seven business days of withdrawing from the course or the student's account will be charged for the material's full amount.

### Withdrawal

After the end of the cancellation period, the student may also have the right to drop out of school at any time and the right to receive a pro rata refund. Please note that the refund WILL NOT include the registration fee of \$75 and STRF fee.

### Refund

An institution shall refund any credit balance on the student's account within 45 days after the date of the student's completion of, or withdrawal from, the educational program in which the student was enrolled.

**Amount student owed = (Program Tuition ÷ number of days in the program) x number of days the student attended the program**

**Total of amount refund = (Amount student paid - Amount Student owed – Registration fees)**

However, if a student paid tuition through monthly installments, tuition is nonrefundable if he/she already had attended at least one of the classes for the correlating month(s). However, monthly tuition payments may be stopped for the following months the student withdraws from class.

The student is obligated to pay only for the educational services rendered any unreturned supplies or equipment (if any) as well as the registration fee. If a student completes over 60% of the scheduled attendance at the time the student is withdrawing, a refund will not be processed.

## **Definitions**

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “Salary” is as reported by graduate or graduate’s employer.
- “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

## Cancellation, Withdrawal, Refund Policy

### Cancellation

If the student is unable to start class, 100% of the program refund can be requested no later than 7 days from the program start date. If the student has not requested a refund prior to 7 days from the class start date, refunds are not applicable. The refund request must be handed in writing and submitted to the TTL College office at the address listed above. Student Tuition Recovery Fund (STRF) fee is refundable.

For programs that provide the program materials prior to the first-class date, a one-week notice to drop the course is required or a \$75 administration fee will be charged to the student's file. Class materials must be returned within seven business days of withdrawing from the course or the student's account will be charged for the material's full amount.

### Withdrawal

After the end of the cancellation period, the student may also have the right to drop out of school at any time and the right to receive a pro rata refund. Please note that the refund WILL NOT include the registration fee of \$75 and STRF fee.

### Refund

An institution shall refund any credit balance on the student's account within 45 days after the date of the student's completion of, or withdrawal from, the educational program in which the student was enrolled.

**Amount student owed = (Program Tuition ÷ number of days in the program) x number of days the student attended the program**

**Total of amount refund = (Amount student paid - Amount Student owed – Registration fees)**

However, if a student paid tuition through monthly installments, tuition is nonrefundable if he/she already had attended at least one of the classes for the correlating month(s). However, monthly tuition payments may be stopped for the following months the student withdraws from class.

The student is obligated to pay only for the educational services rendered any unreturned supplies or equipment (if any) as well as the registration fee. If a student completes over 60% of the scheduled attendance at the time the student is withdrawing, a refund will not be processed.

## **Definitions**

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not

have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “Salary” is as reported by graduate or graduate’s employer.
- “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

## Cancellation, Withdrawal, Refund Policy

### **Cancellation**

If the student is unable to start class, 100% of the program refund can be requested no later than 7 days from the program start date. If the student has not requested a refund prior to 7 days from the class start date, refunds are not applicable. The refund request must be handed in writing and submitted to the TTL College office at the address listed above. Student Tuition Recovery Fund (STRF) fee is refundable.

For programs that provide the program materials prior to the first-class date, a one-week notice to drop the course is required or a \$75 administration fee will be charged to the student's file. Class materials must be returned within seven business days of withdrawing from the course or the student's account will be charged for the material's full amount.

### **Withdrawal**

After the end of the cancellation period, the student may also have the right to drop out of school at any time and the right to receive a pro rata refund. Please note that the refund WILL NOT include the registration fee of \$75 and STRF fee.

### **Refund**

An institution shall refund any credit balance on the student's account within 45 days after the date of the student's completion of, or withdrawal from, the educational program in which the student was enrolled.

**Amount student owed = (Program Tuition ÷ number of days in the program) x number of days the student attended the program**

**Total of amount refund = (Amount student paid - Amount Student owed – Registration fees)**

However, if a student paid tuition through monthly installments, tuition is nonrefundable if he/she already had attended at least one of the classes for the correlating month(s). However, monthly tuition payments may be stopped for the following months the student withdraws from class.

The student is obligated to pay only for the educational services rendered any unreturned supplies or equipment (if any) as well as the registration fee. If a student completes over 60% of the scheduled attendance at the time the student is withdrawing, a refund will not be processed.

## **Definitions**

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

**408-998-4534** [www.ttlcollege.com](http://www.ttlcollege.com)

- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “Salary” is as reported by graduate or graduate’s employer.
- “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

## Cancellation, Withdrawal, Refund Policy

### Cancellation

If the student is unable to start class, 100% of the program refund can be requested no later than 7 days from the program start date. If the student has not requested a refund prior to 7 days from the class start date, refunds are not applicable. The refund request must be handed in writing and submitted to the TTL College office at the address listed above. Student Tuition Recovery Fund (STRF) fee is refundable.

For programs that provide the program materials prior to the first-class date, a one-week notice to drop the course is required or a \$75 administration fee will be charged to the student's file. Class materials must be returned within seven business days of withdrawing from the course or the student's account will be charged for the material's full amount.

### Withdrawal

After the end of the cancellation period, the student may also have the right to drop out of school at any time and the right to receive a pro rata refund. Please note that the refund WILL NOT include the registration fee of \$75 and STRF fee.

### Refund

An institution shall refund any credit balance on the student's account within 45 days after the date of the student's completion of, or withdrawal from, the educational program in which the student was enrolled.

**Amount student owed = (Program Tuition ÷ number of days in the program) x number of days the student attended the program**

**Total of amount refund = (Amount student paid - Amount Student owed – Registration fees)**

However, if a student paid tuition through monthly installments, tuition is nonrefundable if he/she already had attended at least one of the classes for the correlating month(s). However, monthly tuition payments may be stopped for the following months the student withdraws from class.

The student is obligated to pay only for the educational services rendered any unreturned supplies or equipment (if any) as well as the registration fee. If a student completes over 60% of the scheduled attendance at the time the student is withdrawing, a refund will not be processed.

## **Definitions**

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

# TTL College

**408-998-4534** [www.ttlcollege.com](http://www.ttlcollege.com)

- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “Salary” is as reported by graduate or graduate’s employer.
- “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

## Cancellation, Withdrawal, Refund Policy

### Cancellation

If the student is unable to start class, 100% of the program refund can be requested no later than 7 days from the program start date. If the student has not requested a refund prior to 7 days from the class start date, refunds are not applicable. The refund request must be handed in writing and submitted to the TTL College office at the address listed above. Student Tuition Recovery Fund (STRF) fee is refundable.

For programs that provide the program materials prior to the first-class date, a one-week notice to drop the course is required or a \$75 administration fee will be charged to the student's file. Class materials must be returned within seven business days of withdrawing from the course or the student's account will be charged for the material's full amount.

### Withdrawal

After the end of the cancellation period, the student may also have the right to drop out of school at any time and the right to receive a pro rata refund. Please note that the refund WILL NOT include the registration fee of \$75 and STRF fee.

### Refund

An institution shall refund any credit balance on the student's account within 45 days after the date of the student's completion of, or withdrawal from, the educational program in which the student was enrolled.

**Amount student owed = (Program Tuition ÷ number of days in the program) x number of days the student attended the program**

**Total of amount refund = (Amount student paid - Amount Student owed – Registration fees)**

However, if a student paid tuition through monthly installments, tuition is nonrefundable if he/she already had attended at least one of the classes for the correlating month(s). However, monthly tuition payments may be stopped for the following months the student withdraws from class.

The student is obligated to pay only for the educational services rendered any unreturned supplies or equipment (if any) as well as the registration fee. If a student completes over 60% of the scheduled attendance at the time the student is withdrawing, a refund will not be processed.

## **Definitions**

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “Salary” is as reported by graduate or graduate’s employer.
- “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

## Cancellation, Withdrawal, Refund Policy

### Cancellation

If the student is unable to start class, 100% of the program refund can be requested no later than 7 days from the program start date. If the student has not requested a refund prior to 7 days from the class start date, refunds are not applicable. The refund request must be handed in writing and submitted to the TTL College office at the address listed above. Student Tuition Recovery Fund (STRF) fee is refundable.

For programs that provide the program materials prior to the first-class date, a one-week notice to drop the course is required or a \$75 administration fee will be charged to the student's file. Class materials must be returned within seven business days of withdrawing from the course or the student's account will be charged for the material's full amount.

### Withdrawal

After the end of the cancellation period, the student may also have the right to drop out of school at any time and the right to receive a pro rata refund. Please note that the refund WILL NOT include the registration fee of \$75 and STRF fee.

### Refund

An institution shall refund any credit balance on the student's account within 45 days after the date of the student's completion of, or withdrawal from, the educational program in which the student was enrolled.

**Amount student owed = (Program Tuition ÷ number of days in the program) x number of days the student attended the program**

**Total of amount refund = (Amount student paid - Amount Student owed – Registration fees)**

However, if a student paid tuition through monthly installments, tuition is nonrefundable if he/she already had attended at least one of the classes for the correlating month(s). However, monthly tuition payments may be stopped for the following months the student withdraws from class.

The student is obligated to pay only for the educational services rendered any unreturned supplies or equipment (if any) as well as the registration fee. If a student completes over 60% of the scheduled attendance at the time the student is withdrawing, a refund will not be processed.

## **Definitions**

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “Salary” is as reported by graduate or graduate’s employer.
- “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

## Cancellation, Withdrawal, Refund Policy

### Cancellation

If the student is unable to start class, 100% of the program refund can be requested no later than 7 days from the program start date. If the student has not requested a refund prior to 7 days from the class start date, refunds are not applicable. The refund request must be handed in writing and submitted to the TTL College office at the address listed above. Student Tuition Recovery Fund (STRF) fee is refundable.

For programs that provide the program materials prior to the first-class date, a one-week notice to drop the course is required or a \$75 administration fee will be charged to the student's file. Class materials must be returned within seven business days of withdrawing from the course or the student's account will be charged for the material's full amount.

### Withdrawal

After the end of the cancellation period, the student may also have the right to drop out of school at any time and the right to receive a pro rata refund. Please note that the refund WILL NOT include the registration fee of \$75 and STRF fee.

### Refund

An institution shall refund any credit balance on the student's account within 45 days after the date of the student's completion of, or withdrawal from, the educational program in which the student was enrolled.

**Amount student owed = (Program Tuition ÷ number of days in the program) x number of days the student attended the program**

**Total of amount refund = (Amount student paid - Amount Student owed – Registration fees)**

However, if a student paid tuition through monthly installments, tuition is nonrefundable if he/she already had attended at least one of the classes for the correlating month(s). However, monthly tuition payments may be stopped for the following months the student withdraws from class.

The student is obligated to pay only for the educational services rendered any unreturned supplies or equipment (if any) as well as the registration fee. If a student completes over 60% of the scheduled attendance at the time the student is withdrawing, a refund will not be processed.

## **Definitions**

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

## Cancellation, Withdrawal, Refund Policy

### Cancellation

If the student is unable to start class, 100% of the program refund can be requested no later than 7 days from the program start date. If the student has not requested a refund prior to 7 days from the class start date, refunds are not applicable. The refund request must be handed in writing and submitted to the TTL College office at the address listed above. Student Tuition Recovery Fund (STRF) fee is refundable.

For programs that provide the program materials prior to the first-class date, a one-week notice to drop the course is required or a \$75 administration fee will be charged to the student's file. Class materials must be returned within seven business days of withdrawing from the course or the student's account will be charged for the material's full amount.

### Withdrawal

After the end of the cancellation period, the student may also have the right to drop out of school at any time and the right to receive a pro rata refund. Please note that the refund WILL NOT include the registration fee of \$75 and STRF fee.

### Refund

An institution shall refund any credit balance on the student's account within 45 days after the date of the student's completion of, or withdrawal from, the educational program in which the student was enrolled.

**Amount student owed = (Program Tuition ÷ number of days in the program) x number of days the student attended the program**

**Total of amount refund = (Amount student paid - Amount Student owed – Registration fees)**

However, if a student paid tuition through monthly installments, tuition is nonrefundable if he/she already had attended at least one of the classes for the correlating month(s). However, monthly tuition payments may be stopped for the following months the student withdraws from class.

The student is obligated to pay only for the educational services rendered any unreturned supplies or equipment (if any) as well as the registration fee. If a student completes over 60% of the scheduled attendance at the time the student is withdrawing, a refund will not be processed.

## **Definitions**

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “Salary” is as reported by graduate or graduate’s employer.
- “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

## Cancellation, Withdrawal, Refund Policy

### **Cancellation**

If the student is unable to start class, 100% of the program refund can be requested no later than 7 days from the program start date. If the student has not requested a refund prior to 7 days from the class start date, refunds are not applicable. The refund request must be handed in writing and submitted to the TTL College office at the address listed above. Student Tuition Recovery Fund (STRF) fee is refundable.

For programs that provide the program materials prior to the first-class date, a one-week notice to drop the course is required or a \$75 administration fee will be charged to the student's file. Class materials must be returned within seven business days of withdrawing from the course or the student's account will be charged for the material's full amount.

### **Withdrawal**

After the end of the cancellation period, the student may also have the right to drop out of school at any time and the right to receive a pro rata refund. Please note that the refund WILL NOT include the registration fee of \$75 and STRF fee.

### **Refund**

An institution shall refund any credit balance on the student's account within 45 days after the date of the student's completion of, or withdrawal from, the educational program in which the student was enrolled.

**Amount student owed = (Program Tuition ÷ number of days in the program) x number of days the student attended the program**

**Total of amount refund = (Amount student paid - Amount Student owed – Registration fees)**

However, if a student paid tuition through monthly installments, tuition is nonrefundable if he/she already had attended at least one of the classes for the correlating month(s). However, monthly tuition payments may be stopped for the following months the student withdraws from class.

The student is obligated to pay only for the educational services rendered any unreturned supplies or equipment (if any) as well as the registration fee. If a student completes over 60% of the scheduled attendance at the time the student is withdrawing, a refund will not be processed.

- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “Salary” is as reported by graduate or graduate’s employer.
- “No Salary Information Reported” is the number of graduates for whom; after making reasonable attempts, the school was not able to obtain salary information.

## Cancellation, Withdrawal, Refund Policy

### **Cancellation**

If the student is unable to start class, 100% of the program refund can be requested no later than 7 days from the program start date. If the student has not requested a refund prior to 7 days from the class start date, refunds are not applicable. The refund request must be handed in writing and submitted to the TTL College office at the address listed above. Student Tuition Recovery Fund (STRF) fee is refundable.

For programs that provide the program materials prior to the first-class date, a one-week notice to drop the course is required or a \$75 administration fee will be charged to the student's file. Class materials must be returned within seven business days of withdrawing from the course or the student's account will be charged for the material's full amount.

### **Withdrawal**

After the end of the cancellation period, the student may also have the right to drop out of school at any time and the right to receive a pro rata refund. Please note that the refund WILL NOT include the registration fee of \$75 and STRF fee.

### **Refund**

An institution shall refund any credit balance on the student's account within 45 days after the date of the student's completion of, or withdrawal from, the educational program in which the student was enrolled.

**Amount student owed = (Program Tuition ÷ number of days in the program) x number of days the student attended the program**

**Total of amount refund = (Amount student paid - Amount Student owed – Registration fees)**

However, if a student paid tuition through monthly installments, tuition is nonrefundable if he/she already had attended at least one of the classes for the correlating month(s). However, monthly tuition payments may be stopped for the following months the student withdraws from class.

The student is obligated to pay only for the educational services rendered any unreturned supplies or equipment (if any) as well as the registration fee. If a student completes over 60% of the scheduled attendance at the time the student is withdrawing, a refund will not be processed.

## **Definitions**

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “Salary” is as reported by graduate or graduate’s employer.
- “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

## Cancellation, Withdrawal, Refund Policy

### Cancellation

If the student is unable to start class, 100% of the program refund can be requested no later than 7 days from the program start date. If the student has not requested a refund prior to 7 days from the class start date, refunds are not applicable. The refund request must be handed in writing and submitted to the TTL College office at the address listed above. Student Tuition Recovery Fund (STRF) fee is refundable.

For programs that provide the program materials prior to the first-class date, a one-week notice to drop the course is required or a \$75 administration fee will be charged to the student's file. Class materials must be returned within seven business days of withdrawing from the course or the student's account will be charged for the material's full amount.

### Withdrawal

After the end of the cancellation period, the student may also have the right to drop out of school at any time and the right to receive a pro rata refund. Please note that the refund WILL NOT include the registration fee of \$75 and STRF fee.

### Refund

An institution shall refund any credit balance on the student's account within 45 days after the date of the student's completion of, or withdrawal from, the educational program in which the student was enrolled.

**Amount student owed = (Program Tuition ÷ number of days in the program) x number of days the student attended the program**

**Total of amount refund = (Amount student paid - Amount Student owed - Registration fees)**

However, if a student paid tuition through monthly installments, tuition is nonrefundable if he/she already had attended at least one of the classes for the correlating month(s). However, monthly tuition payments may be stopped for the following months the student withdraws from class.

The student is obligated to pay only for the educational services rendered any unreturned supplies or equipment (if any) as well as the registration fee. If a student completes over 60% of the scheduled attendance at the time the student is withdrawing, a refund will not be processed.

## **Definitions**

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

**408-998-4534** [www.ttlcollege.com](http://www.ttlcollege.com)

- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “Salary” is as reported by graduate or graduate’s employer.
- “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

## Cancellation, Withdrawal, Refund Policy

### **Cancellation**

If the student is unable to start class, 100% of the program refund can be requested no later than 7 days from the program start date. If the student has not requested a refund prior to 7 days from the class start date, refunds are not applicable. The refund request must be handed in writing and submitted to the TTL College office at the address listed above. Student Tuition Recovery Fund (STRF) fee is refundable.

For programs that provide the program materials prior to the first-class date, a one-week notice to drop the course is required or a \$75 administration fee will be charged to the student's file. Class materials must be returned within seven business days of withdrawing from the course or the student's account will be charged for the material's full amount.

### **Withdrawal**

After the end of the cancellation period, the student may also have the right to drop out of school at any time and the right to receive a pro rata refund. Please note that the refund WILL NOT include the registration fee of \$75 and STRF fee.

### **Refund**

An institution shall refund any credit balance on the student's account within 45 days after the date of the student's completion of, or withdrawal from, the educational program in which the student was enrolled.

**Amount student owed = (Program Tuition ÷ number of days in the program) x number of days the student attended the program**

**Total of amount refund = (Amount student paid - Amount Student owed - Registration fees)**

However, if a student paid tuition through monthly installments, tuition is nonrefundable if he/she already had attended at least one of the classes for the correlating month(s). However, monthly tuition payments may be stopped for the following months the student withdraws from class.

The student is obligated to pay only for the educational services rendered any unreturned supplies or equipment (if any) as well as the registration fee. If a student completes over 60% of the scheduled attendance at the time the student is withdrawing, a refund will not be processed.

## Cancellation, Withdrawal, Refund Policy

### **Cancellation**

If the student is unable to start class, 100% of the program refund can be requested no later than 7 days from the program start date. If the student has not requested a refund prior to 7 days from the class start date, refunds are not applicable. The refund request must be handed in writing and submitted to the TTL College office at the address listed above. Student Tuition Recovery Fund (STRF) fee is refundable.

For programs that provide the program materials prior to the first-class date, a one-week notice to drop the course is required or a \$75 administration fee will be charged to the student's file. Class materials must be returned within seven business days of withdrawing from the course or the student's account will be charged for the material's full amount.

### **Withdrawal**

After the end of the cancellation period, the student may also have the right to drop out of school at any time and the right to receive a pro rata refund. Please note that the refund WILL NOT include the registration fee of \$75 and STRF fee.

### **Refund**

An institution shall refund any credit balance on the student's account within 45 days after the date of the student's completion of, or withdrawal from, the educational program in which the student was enrolled.

**Amount student owed = (Program Tuition ÷ number of days in the program) x number of days the student attended the program**

**Total of amount refund = (Amount student paid - Amount Student owed - Registration fees)**

However, if a student paid tuition through monthly installments, tuition is nonrefundable if he/she already had attended at least one of the classes for the correlating month(s). However, monthly tuition payments may be stopped for the following months the student withdraws from class.

The student is obligated to pay only for the educational services rendered any unreturned supplies or equipment (if any) as well as the registration fee. If a student completes over 60% of the scheduled attendance at the time the student is withdrawing, a refund will not be processed.

## **Definitions**

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not

have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “Salary” is as reported by graduate or graduate’s employer.
- “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

## Cancellation, Withdrawal, Refund Policy

### **Cancellation**

If the student is unable to start class, 100% of the program refund can be requested no later than 7 days from the program start date. If the student has not requested a refund prior to 7 days from the class start date, refunds are not applicable. The refund request must be handed in writing and submitted to the TTL College office at the address listed above. Student Tuition Recovery Fund (STRF) fee is refundable.

For programs that provide the program materials prior to the first-class date, a one-week notice to drop the course is required or a \$75 administration fee will be charged to the student's file. Class materials must be returned within seven business days of withdrawing from the course or the student's account will be charged for the material's full amount.

### **Withdrawal**

After the end of the cancellation period, the student may also have the right to drop out of school at any time and the right to receive a pro rata refund. Please note that the refund WILL NOT include the registration fee of \$75 and STRF fee.

### **Refund**

An institution shall refund any credit balance on the student's account within 45 days after the date of the student's completion of, or withdrawal from, the educational program in which the student was enrolled.

**Amount student owed = (Program Tuition ÷ number of days in the program) x number of days the student attended the program**

**Total of amount refund = (Amount student paid - Amount Student owed - Registration fees)**

However, if a student paid tuition through monthly installments, tuition is nonrefundable if he/she already had attended at least one of the classes for the correlating month(s). However, monthly tuition payments may be stopped for the following months the student withdraws from class.

The student is obligated to pay only for the educational services rendered any unreturned supplies or equipment (if any) as well as the registration fee. If a student completes over 60% of the scheduled attendance at the time the student is withdrawing, a refund will not be processed.

## Definitions

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “Salary” is as reported by graduate or graduate’s employer.
- “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

## Cancellation, Withdrawal, Refund Policy

### **Cancellation**

If the student is unable to start class, 100% of the program refund can be requested no later than 7 days from the program start date. If the student has not requested a refund prior to 7 days from the class start date, refunds are not applicable. The refund request must be handed in writing and submitted to the TTL College office at the address listed above. Student Tuition Recovery Fund (STRF) fee is refundable.

For programs that provide the program materials prior to the first-class date, a one-week notice to drop the course is required or a \$75 administration fee will be charged to the student's file. Class materials must be returned within seven business days of withdrawing from the course or the student's account will be charged for the material's full amount.

### **Withdrawal**

After the end of the cancellation period, the student may also have the right to drop out of school at any time and the right to receive a pro rata refund. Please note that the refund WILL NOT include the registration fee of \$75 and STRF fee.

### **Refund**

An institution shall refund any credit balance on the student's account within 45 days after the date of the student's completion of, or withdrawal from, the educational program in which the student was enrolled.

**Amount student owed = (Program Tuition ÷ number of days in the program) x number of days the student attended the program**

**Total of amount refund = (Amount student paid - Amount Student owed - Registration fees)**

However, if a student paid tuition through monthly installments, tuition is nonrefundable if he/she already had attended at least one of the classes for the correlating month(s). However, monthly tuition payments may be stopped for the following months the student withdraws from class.

The student is obligated to pay only for the educational services rendered any unreturned supplies or equipment (if any) as well as the registration fee. If a student completes over 60% of the scheduled attendance at the time the student is withdrawing, a refund will not be processed.
